Subject: Mooring field

Hello,

As a boat owner and 45 year resident of Sausalito, I am adamantly opposed to the proposed mooring field in front of Spinnaker restaurant. That area should not have any mooring balls let alone 20! This would be an egregious mistake allowing this to proceed. The ramifications are enormous.

I strongly encourage you not to proceed until there is further study on the impact and you meet with the residents of Sausalito and the City Council. You need to listen to our concerns.

Sincerely,  
Kay Mitzel
